COOLANT CATALOGUE

EXPLORE THE BENEFITS OF THE ACDELCO COOLANT RANGE

Universal Engine Protection: The ACDelco Coolant range guarantees maximum engine protection for vehicles of all makes, models, and years.

Elevate Your Cooling System: Elevate your vehicle's cooling system with our state-of-the-art technology. Don't settle for the ordinary; choose extraordinary protection and value all in one product.

Extreme Temperature Control: ACDelco Coolant products offer unparalleled temperature protection, shielding your engine from the harshest winter freezes and scorching summer heat.

Combat Engine Corrosion: ACDelco delivers industry-leading defence against rust, corrosion, and damaging build-up that can harm your engine.

Protect Your Investment: Ordinary Coolant products can lead to a rusted cooling system and costly repairs. ACDelco Coolant products prevent the formation of rust and corrosion, ensuring a clean cooling system for superior engine performance and extended engine life.

Versatile Compatibility: ACDelco Coolant products are available for all vehicle makes, models, and years, from Hybrids to EVs, to Petrol, LPG, and Diesel engines.

Universal Mixing: Certain ACDelco Coolant options offer universal compatibility and can effortlessly integrate with other brands of coolant products, regardless of their colours and formulations, such as OAT, Si-OAT, HOAT, G-30®, G-40®, G-48®, & G-65®.

Preserve Your Warranty: Rest easy knowing that using ACDelco Coolant products will not void your new vehicle warranty.

Upgrade your engine's defence today with ACDelco Coolant products and experience the pinnacle of protection and performance.

ACDelco

COOLANT CATALOGUE

ACDELCO ALL SEASONS COOLANT

PRODUCT DETAILS

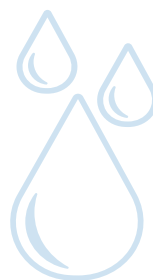

ACDelco All Seasons Coolant is a concentrated coolant formulated with OAT technology in ethylene glycol, and it's entirely free of potentially harmful additives like nitrites, amines, and phosphates.

KEY FEATURES & BENEFITS

- Corrosion protection, including non-ferrous metals
- Frost protection
- Boiling protection
- Compatibility with other engine coolants
- Hard water stability due to the absence of silicates and phosphates
- Proven protection for over 80,000km in automotive applications

APPLICATIONS

*Suitable for a wide range of vehicles, including Ford, General Motors, Freightliner, Chrysler, and more.

Available in
1L, 5L, 20L & 205L

ACDELCO DEX-COOL®

PRODUCT DETAILS

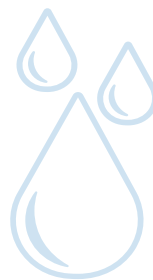

DEX-COOL® represents the outcome of General Motors' extensive development efforts, offering a universal, long-lasting engine coolant that is fully compatible with conventional Ethylene Glycol coolant.

FEATURES & BENEFITS

- Extended life with improved heat transfer
- Increases thermostat, radiator and water pump life
- Stable inhibitor for long-term reliability
- Enhanced resistance to hard water
- 5 year or 240,000kms Extended Service Life
- Suitable for both automotive and heavy-duty applications

APPLICATIONS

*Compatible with various vehicles, including Ford, General Motors, Mercedes-Benz, MAN, Volkswagen, and more.

Available in
1L, 5L, 20L & 205L

ACDelco

COOLANT CATALOGUE

ACDELCO BLUE OEM G-30 COOLANT

PRODUCT DETAILS

ACDelco Blue OEM G-30 Coolant Concentrate is a certified G-30 OEM-approved, high-quality Type A ethylene glycol-based coolant concentrate. It features a hybrid corrosion inhibitor package and is entirely free from nitrites, amines, borates, silicates, and phosphates. This coolant is built on advanced organic acid technology (OAT) to deliver exceptional corrosion protection and an extended service life.

KEY FEATURES & BENEFITS

- Anti-Freeze, Anti-Boil, and Anti-Corrosion properties
- Vibrant blue colour for easy identification
- Maintains manufacturer's warranty and specifications
- 8 Year or 500,000km Extended Service Life
- 100% Concentrate makes 10L

APPLICATIONS

*Compatible with various vehicles, including Fiat, Ford, General Motors, Mercedes, Mini Diesel, Mitsubishi, Nissan, Renault, Toyota, Volkswagen, and more.

Available in
5 Litre only

ACDelco

COOLANT CATALOGUE

ACDELCO RED OEM G-40 COOLANT

PRODUCT DETAILS

ACDelco Red OEM G-40 Coolant Concentrate is an officially recognised G-40 OEM-approved, premium-grade Type "A" coolant concentrate, harnessing the power of organic acid technology (Si-OAT) to provide outstanding corrosion protection and an extended service life.

KEY FEATURES & BENEFITS

- Anti-Freeze, Anti-Boil, and Anti-Corrosion properties
- Distinctive red colour
- Compatible with all plastics, rubbers, and seals
- Protects all internal surfaces, including aluminium
- Phosphate-free formulation for hard water use
- 8 Year or 500,000km Extended Service Life

APPLICATIONS

*Compatible with various vehicles necessitating Red, Magenta, or Orange coolant with Organic Acid Technology (Si-OAT), including Audi, General Motors, Honda, Hyundai, Jeep, Kia, Mitsubishi, Porsche, Skoda, Suzuki, Toyota, Volkswagen, and many more.

Available in
5 Litre only

ACDelco

COOLANT CATALOGUE

ACDELCO GREEN OEM G-48 COOLANT

PRODUCT DETAILS

ACDelco Green OEM G-48 Coolant Concentrate is an authentic G-48 OEM-approved coolant, employing Hybrid (HOAT) Type "A" Ethylene glycol-based technology. It offers exceptional protection against corrosion, overheating, and frost, ensuring the year-round performance of your cooling system.

KEY FEATURES & BENEFITS

- Anti-Freeze, Anti-Boil, and Anti-Corrosion properties
- Unique green colour
- Hybrid Organic Acid Technology (HOAT)
- Maintains manufacturer's warranty and specifications
- Phosphate-free formulation for hard water
- 8 Year or 500,000km Extended Service Life

APPLICATIONS

*Compatible with various vehicles, including Audi, BMW, Ford, General Motors, Hyundai, Jeep, Mazda, Mitsubishi, and more.

Available in
5 Litre only

ACDelco

COOLANT CATALOGUE

ACDELCO PURPLE OEM G-65 COOLANT

PRODUCT DETAILS

ACDelco Purple OEM G-65 Coolant Concentrate is a certified G-65 OEM-approved, high-quality Type "A" ethylene glycol-based coolant concentrate. It safeguards the cooling system through the utilisation of Phosphate and Silicate Organic Acid Technology (PSi-OAT).

KEY FEATURES & BENEFITS

- Anti-Freeze, Anti-Boil, and Anti-Corrosion properties
- Distinctive purple colour
- Extra hard water flexibility
- Enhanced tolerance for flux-brazed aluminium heat exchangers
- Protects against pitting of cylinder liners and cavitation
- Complies with strict European EHS regulations
- No need for supplementary additives
- 8 Year or 500,000km Extended Service Life

APPLICATIONS

*Compatible with various vehicles, including Audi, Bentley, Hyundai, Jeep, Kia, Mitsubishi, Skoda, Toyota, Volkswagen, Volvo, and more.

Available in
5 Litre only

*To access a comprehensive list of Manufacturer (OEM) Approvals and Industry Licenses pertaining to each ACDelco coolant product, we invite you to explore our ACDelco or GM Trade Parts websites and download the respective flyers. Alternatively, you can utilise our online part finder tool available on our websites to identify the ideal coolant for your specific application.
